

1

ONE DAY INDESIGN CC or CS6

Duration: 1 Day

Time: 8.30am to 4.00pm

OVERVIEW

This very popular page layout program is design to have you producing DL and A4 flyer's by the end of the day. This course is design to get you started fast. If you want more in-depth about InDesign you are best to look at our essential InDesign course.

You will learn the fundamentals of InDesign which include working with text, pictures and pages. We also look at submitting a Print Ready PDF along with some other great tips from our instructors.

This course is very popular with *Marketing Mangers, Creative Comm's, Admins and PA's. Its a powerful tool for creating everything from PDF's to Infographics.*
