## PHOTOSHOP - Level 2

Duration: 1 Day

Time: 8.30am to 4.00pm

### OVERVIEW

Take your Adobe Photoshop skills to the next level with this 1-day hands-on course. Industry experts with real-world experience will guide you through the essentials of Adobe Photoshop, reinforcing the skills you developed in our Level 1 Adobe Photoshop course.

This Level 2 course will expand on the tips and tricks shared in the Level 1 training and give you the confidence and knowledge to tackle more complex photo editing tasks such as colour correction, using curves, creating clipping paths, cropping and blending, using layer masks and much more.

Adobe Photoshop Level 2 takes a more detailed look at photo editing, exploring additional techniques and practises to take your skills to the next level.

Enrol in this course if you have basic Adobe Photoshop experience and have completed our Level 1 Adobe Photoshop course.
